MESSAGE FROM THE VICE-CHANCELLOR

Prof. Raj Kumar Vice-Chancellor

“Those who educate children well are more to be honored than they who produce them; for these only gave them life, those the art of living well.” Aristotle

I am pleased to be acquainted with the fact that the University Institute of Legal Studies is bringing out the Placement Brochure- 2021 for the placements of its graduate and post-graduate students. It gives me an immense pride to introduce to you University Institute of Legal Studies, a constituent department of Panjab University established in the academic session 2004-05.

Panjab University is a public collegiate university located in Chandigarh, India. It originated in 1882, Lahore (now in Pakistan) but was established in 1947 in Chandigarh (India), making it one of the oldest universities in India. Panjab University is an institution with a glorious past and a bright future and keeping with this legacy, the University Institute of Legal Studies has emerged as one of the premier legal institute in the region in a very short span of time. The institute has state-of-the-art infrastructural facilities and highly qualified faculty to equip the students with the best legal skills and the right attitude required to produce successful professionals.

The stimulating and interactive academic environment of the Institute helps to train the students in the essence of the substantive laws, techniques of procedural laws, methods of client counseling and skills required for legal and social sciences research, etc. The Moot Court Competitions, Client Counseling Sessions, Quiz Contests, Seminars, Group Discussions and Extension Lectures, etc. are a regular feature of the academic calendar of the Institute. The Institute also exposes its students to the 'law in action' through compulsory internships with Hon'ble Judges of Supreme Court, Punjab and Haryana High Court, eminent lawyers, legal firms, various commissions and NGOs, etc. to shape the students both academically and practically to be better equipped for the practical world.

I extend a very warm greeting and invite the law firms, companies and legal luminaries to visit our campus to recruit the students. My best wishes to all the students for their shining careers ahead.

MESSAGE FROM THE DEAN

**Ms. Anu Chatrath Dean
(Academics), Law Panjab University,
Chandigarh.**

“Education is the most powerful weapon which you can use to change the world” - Nelson Mandela

I am privileged to introduce to you the University Institute of Legal Studies, Panjab University, Chandigarh, commonly abbreviated as UILS as one of the premier institutes of law in its region . Since its inception, I have seen an immense transformation in terms of the theoretical learning training and practical training imparted in law to the students. Being a dean of the faculty of law of Panjab University, one of the oldest Universities in India, and also a senior advocate and senator of this university, I am fortunate to be associated with the students through every sphere possible.

Over a brief period of time, the institute has not only observed the changes prevalent in the legal field with respect to the changing environment of the country or the world at large but also has tried to incorporate them in their curriculum and other extracurricular activities. The institute provides a platform to the students to pursue their areas of interest to establish themselves for their future endeavors. The students are exposed to a lot of activities ranging from literary, cultural, sports, moot court competitions, quiz contests, internships, seminars and conferences. The students are exposed to the various practical aspects of law through various platforms like workshops, street plays, seminars, moot courts and internships in law commissions, NGOs, government and private legal organizations and firms, advocates of District Court, High Court and Supreme Court etc which helps them to grow overall legal professional.

As not only their dean but as a mentor also, I invite you to have a look at the young fertile minds of the institute, who are ready to face the legal world. I wish the students to perform to the best of their abilities.

MESSAGE FROM THE DIRECTOR

Prof. Dr. Rajinder Kaur

“Cultivation of mind should be the ultimate aim of human existence”

Dr. Babasaheb Ambedkar

With the genesis of this thought in my mind, I would like to present you the passing batch of University Institute of Legal Studies (UILS), Panjab University, Chandigarh. The experienced and well-versed faculty members have toiled hard during a brief span of five years in shaping the young talents to gather the required acumen and knowledge for sharpening their intellect in pursuing their future endeavors to the best of their abilities.

University Institute of Legal Studies is one of the premier law schools in the region; belonging to Panjab University, one of the oldest universities in the country. The Institute is equipped with a diverse confluence of students. Over the years the students have been taught both the educational and practical aspects of the law inculcating in them the values of teamwork, leadership, hard work and perseverance.

The entire academics have been designed to provide the utmost exposure to the students and are committed towards imparting quality and holistic legal education which provides not only an academic but a practical experience as well. The students have also shown an outstanding response both in academics as well as extracurricular activities, be it moot courts competitions, writing and debate competitions, National and International as well, Seminars, Sports & Cultural Events. Besides this the students have been exposed to various practical fields of law and through internships in Law Commissions, Legal Service Authorities, NGOs, Judges and Advocates of Punjab and Haryana High Courts, District Courts, Legal firms etc.

It is my firm belief that the students will be an asset to your organization. I invite you on behalf of the entire UILS fraternity to our campus to see the tremendous talent of the current batch. It is my wish and blessings for the students to perform well and get a good start for their upcoming professional journey ahead.

MESSAGE FROM THE PLACEMENT COORDINATOR'S

Dr. Jasneet Kaur Walia **Placement Coordinator**

“An investment in knowledge pays the best interest”
Benjamin Franklin

Reflecting on the famous quote by one of the greatest polymath of the 18th century, the Career Development Cell (CDC) also hold the same objective in imbining the students the right amount of expertise and skills to get a practical insights on the current legal scenarios of the legal world by familiarizing the students about the latest trends in the legal arena and also by updating them with the latest amendments that are happening in the legal world from time to time.

The Career Development Cell (CDC) looks after the internships, placements, fellowships, scholarships and also arranges workshops and guest lectures on the emerging areas related to law and beneficial for building a good career. CDC acts as a mentor for all the students to guide the students to pursue or establish a career of their choice

The students at UILS are not only taught well academically but are also exposed to various co-curricular and extracurricular activities through various platforms like national and international moot court competitions, quizzes and debates competitions, literary and cultural events and sports competitions.

In providing the practicality of the subjects, the institute provides exposure to its students through various internships programmes in various spheres ranging from commissions, legal service authorities, NGOs to advocates, judges, law firms, companies etc.

It is my wish and my blessings for all the students to establish themselves well both professionally and socially.

ABOUT UILS

University Institute of Legal Studies (UILS) was established as a constituent department of Panjab University, in the academic session 2004-05. In these years, the institute has established itself as one of the most prestigious and pre-eminent legal institutes in the region. It has been recently ranked amongst the top 30 Law Colleges in the Country by HRD Ministry NIRF Ranking 2020 & 2021. The objective of the Institute has always been to equip the students with the skills to comprehend and diagnose the intricacies of various legal and other inter-disciplinary issues and devise solutions to the problems through analysis and reasoning.

The stimulating and interactive academic environment of our institute helps to immerse the students in a wide variety of skills ranging from negotiation, mooting, client counselling to eventually being hands on with the nuances in legal research and drafting. The Institute relentlessly exposes its students to a wide spectrum of law school events of national and international repute which prepares them for the diverse legal industry. The Institute lays great emphasis on practical training of the students and believes that the best way to impart quality legal education is to blend the method of traditional classroom teaching with regular internship programs to help students to apply their theoretical knowledge to practical issues. To achieve this, the Institute arranges for internships for the students with Hon'ble Judges of the Supreme Court & High Courts, Advocates, Law Firms, Commissions, NGOs, etc.

The Institute provides quality infrastructure to facilitate a sound learning experience for its students. Keeping in mind the diverse requirements of a law student, the Institute provides them with the quality international and national legal databases, journals, and latest editions of books on all subjects of law. The Institute offers a conducive environment which not only aids students for honing various interpersonal and specialised skills that are prerequisite for a professional, but is also vital to the personality development of each student who sets foot in the campus.

STUDENT COMMITTEES

Career Development Cell: The Career Development Cell is highly oriented towards professional expansion of the students. In the competitive panorama of present times, the committee's primary goal has always been to act as a liaison between the students and the potential recruiters. It is led by a team of enthusiastic faculty members, administrative staff and capable students. The committee works relentlessly towards building connections with industry experts and fostering existing connections within the legal fraternity to meet the diverse aspirations of the students. The committee ensures full-support to the students by organising Skill Sessions, Knowledge Sessions, Mentorship Program with industry experts and providing Internship & Placements opportunities to the students. The persistent efforts of our team has helped our students in securing placement offers from KPMG, Adishri Legal, AKB Lex, ADB Legal, BSM Legal, etc. and Internship opportunities from Shardul Amarchand Mangaldas, Khaitan & Co., UKCA & Partners, Simran Law, DMD Advocates, Chambers of Additional Solicitor General Aishwarya Bhati, Triumvir Law, Khurana & Khurana Attorneys, etc.

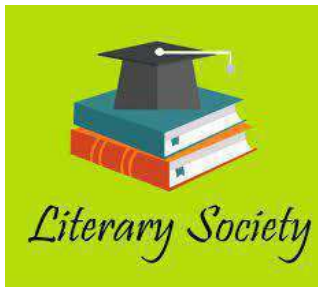

Moot Court Society: The moot court society is the premier society of the institute that organizes the annual Intra moot as well as a national trial advocacy competition. Furthermore, the moot court society is responsible for conducting eliminations and mentoring students for national moots. This has led to UILS being a forerunner in the world of mooting.

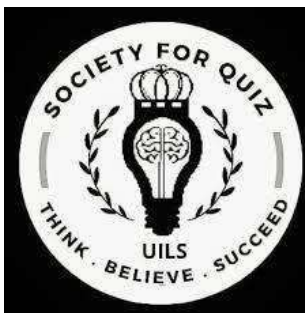

ADR & CCL Board: The ADR Board is responsible for all ADR related competitions including negotiations, mediations, arbitration and client counselling. They also conduct an annual client counselling competition. They are responsible for inculcating ADR values into the next generation of lawyers which is crucial in a judicially overburdened society like India.

	<p>Legal Aid Clinic: The Legal Aid Society of University Institute of Legal Studies provides Legal awareness and aid. The sole essence of the society is to enable the socially backward, downtrodden and destitute communities by providing legal assistance and awareness to them.</p>
	<p>Criminal Justice Practicum Cell: The 'Criminal Justice Practicum Cell' performs the vital duty to connect the students of U.I.L.S. with legal facets surrounding the paradigm of Criminology, Penology and Victimology. The students are lured with the activities undertaken by the Cell as they yearn for practical knowledge of 'Law'. The Cell aims at educating the students with a practical method of teaching and equips the students in distinguishing between numerous theories and principles of Law.</p>
	<p>UILS Student Assisted Academic Programme (USAAP): USAAP looks after the academic well-being of students. The programme thrives on a symbiotic relationship between peers who teach each other subjects they want to learn better. This inculcates in them a spirit of sharing, cooperation, camaraderie and oneness; grooming them into excellent professional lawyers, corporate attorneys, social engineers and fine academicians.</p>
	<p>Cultural Committee: “All Work and No Play” is a concept which the Institute doesn't encourage. The Cultural Committee of the Institute promotes and exercises domain over events like street plays, dance competitions etc. The Committee also conducts an annual dance and theatre fest.</p>
	<p>Centre for Child Rights: Centre for Child Rights (CFCR) helps students understand and promote the effective and efficient implementation of laws and rights concerning the children and create awareness about these laws and rights by providing the students plethora of opportunities like informative seminars, conferences, webinars, debates and poetry competitions etc. CFRP aims to make the juvenile justice system more accountable, transparent and all-in-all a much more child-friendly mechanism for protecting and promoting the rights of children.</p>

Literary Society: The literary society is the student society of the institute organizing all literary events including debates, spell bees, ad mads, and various public proclamations. They also regulate the representation of the department nationwide for literary events. In this regard they have won many accolades.

The Society for Quiz: The Society for Quiz (SFQ) aims to bridge the gap between books and the outside world. The Society through the organization of quizzes is working towards making knowledge accessible in a convivial form and help students develop an acumen for quizzing. They not only enhance the knowledge of the students but also helps in giving them the first-hand experience of the competition. The Society is responsible for organizing the Law series, quizzes on various topics, and the days of national and international significance. The events of SFQ are open to everyone including students of the school, college, university, etc.

Sports Committee UILS: Sports committee promotes team cohesion and supports UILS students to enjoy a more active lifestyle. Besides, providing appropriate and accessible physical activity opportunities for students and staff, this committee also holds a national sports fest to create, support, and deliver a performance culture that enables students to succeed at whatever is the appropriate competitive environment for them. It strives to build a vibrant sporting culture by providing ample opportunities.

Alumni Cell: To advance the vision of collaboration and enhanced resource-based relationships of the present and pass out students, the UILS Alumni Cell was created. The Cell has been instrumental in establishing an online network having a rich database of pass out students with their precise job profiles and areas of expertise. Currently, the Cell works round the calendar with its elaborately planned functions, meetings and special lectures by graduate students who wish to give back to their Alma Mater.

RESEARCH CENTERS

	<p>Centre for Trade Laws and Dispute Resolution</p> <p>CTDR was created with the collective ingenuity of UILS and University of Pepperdine to promote interdisciplinary research in the field of trade law and dispute resolution. The purpose of CTDR is multifarious ranging from extensive research work emphasizing on unconventional techniques bringing about substantive evolution in various facets of Commercial law.</p>
	<p>Centre for Clinical Legal Education</p> <p>CLLE aims to foster the clinical legal skills of the students. It endeavours to acquaint young legal minds with the pivotal art of reading judgements, and analysing the crux of complex legal and judicial holdings which forms the basis of their career in the legal fraternity ahead.</p>
	<p>Centre for Constitution and Public Policy</p> <p>CCPP is an initiative of UILS, Panjab University. The Centre promotes the study of and research into issues of constitutional Law, comparative constitutional Law and its interfaces with Public Policy. The work of the Centre feeds into the University's Constitutional Law and Public Policy Courses. The core aim of the Centre is to revitalize the fundamental transmission of constitutional knowledge and its basics by laying importance on relevant public policy issues.</p>

FLAGSHIP EVENTS

1. UILS-Surana & Surana National Moot

The annual moot of the institute conducted in collaboration with Surana & Surana. This moot provides a platform to law students to enhance their research skills and hone their presentment skills. The moot witnesses participation from premier law schools from all over the country and judged by various legal luminaries.

2. UILS Client Counselling Competition

This flagship event of the institute is hosted as part of the annual law fest. CDC has formulated the following procedure to facilitate the recruitment process.

Registration

Organisations intending to participate in the Recruitment Drive can communicate their willingness either by e-mail, fax or post or telephonically to CDC.

Pre Placement Talks

The recruiters may conduct pre-placement talks to interact and ventilate students about crucial principle features of their organisation, job profile, terms and conditions of employment, remuneration and other relevant information. The recruiters are urged to indicate their preferred dates for such talks to CDC either at the time of registration or at least a week prior to their arrival. Taking into consideration the present circumstances, these talks can be held in virtual mode also.

Pre-Interview Screening Process

Pre Interview Screening Process may be conducted any time before the final interviews. Recruiters are free to determine their own policy for the Screening Process to shortlist students. In case the Recruiter has no particular method of Pre Interview Screening, the Curricula Vitae of all interested students shall be forwarded to the Recruiter.

In case the Recruiter has no procedure for Pre Interview Screening, the list of interested students shall automatically become the Final Interview List.

Mode of Interview Screening Process

- On campus/ Virtual (depending upon the circumstances)
- Telephonic interview/ Video-conferencing
- Walk-In Interviews at the office of Recruiting firm/lawyer/organisation

Preferred date and time of final interviews shall be communicated to CDC, so that necessary arrangements for the same can be made.

Disclosure of Offers

After the final interviews, recruiters are required to make final offers to shortlisted candidates mentioning the designation, remuneration, location and other relevant terms and conditions required to make a decision. A copy of offer letter(s) shall also be sent by the recruiter to CDC for records. Acceptance/ Rejection of offer shall be communicated by the concerned student to the recruiter. A copy of such communication shall also be marked to CDC.
